**MARSEILLE, FRANCE**

Marseille is rich in historic treasures, nestled between the Mediterranean and rocky hills of limestone. Two 17th-century fortresses dominate the charming Vieux Port, or Old Port, the natural harbor that hosts all manner of watercraft, from sleek elegant yachts to old style fishing vessels. Its picturesque quay is one of the world's most romantic walks, lined with dozens of cafés and shops. Also worth exploring is the city center, graced by La Canebière boulevard. Linger in a café and sample the city's signature bouillabaisse made from freshly caught fish.
